Subject: Next week with New Mexico

I have revised the slides once again- with input from NMED, Adam and Chris. I just heard there will be no travel funds available for next week. My recommendation would be for us to ask NMED to cancel the meetings next week- and reschedule when we are both available to attend. I have attached the latest version- which still needs some tweaking- it ends on slide 17- the other three slides are there for reference- **let me know so I can call the state as soon as possible**
